See our 2600HD Series brochure for full Series specifications.

Our roomier operator's area features a flat floorboard, more foot room and less clutter.

Each model comes equipped with 50-inch tires, providing a generous 22-inch ground clearance.

Massey Ferguson is proud to bring you three new, fully featured specialty tractors that offer all the heavy-duty performance of our HD Series. Available in three platform models, ranging from 82 to 97 engine horsepower.
