
If you want more from a tractor,
don't settle for less.

Our 1500 Series offers ten models, from 23 to 59 HP, five transmission choices, independent PTO, a huge lift capacity, and an engine so quiet you won't believe your ears.

28.4 & 33 gross engine HP

MASSEY FERGUSON®

C'mon. Go ahead. See for yourself how our Massey Ferguson® 1529 or 1532 stack up against the competition.

- Up to 27% more hydraulic flow for faster cycle times – gets your jobs done faster.
- Up to 42% more loader lift capacity – more muscle for your jobs.
- Universal skid steer quick attach system – allowing you to use multiple skid steer loader attachments.
- Independent PTO – simple push button instead of cumbersome clutch.
- Enjoy a standard arm rest.
- SynchroShuttle transmission – makes your work with directional changes quicker and easier.

So now you've seen it for yourself.

The Massey Ferguson® 1529 or 1532 Series compact tractors get you more luxury, more comfort, and more tractor for far less than you'd pay for comparable machines in their class. Our advanced ergonomics feature a much larger ISO-mounted, cushioned operator platform to reduce vibration, more leg room, easier side shifting and logically placed controls – even a factory-installed joystick. Ask your Massey Ferguson dealer for more details or visit us online at www.masseyferguson.com.

With rates as low as 0% APR, we're talking bushels of features and loads of fun. All at a great price.
