

RE-BALE HAY THE EASY WAY

THE MOST EFFICIENT SYSTEM FOR RE-BALING HAY.

At Hustler there's a long standing tradition of finding new ways to make everyday tasks easier. The Chainless XR1500 Re-baler is no exception.

"The Hustler bale feeder is reliable and easy to operate. It handles rounds and squares, runs 8 hours a day, 5 days a week, year round. It feeds evenly, which allows the silage cutter to cut properly without stalling. Maintenance is virtually nil because there are no chains and the bearings are all sealed."

Paul Reynolds, Hawke's Bay

HUSTLER'S HERITAGE >

From humble beginnings on a farm in Hawkes Bay, New Zealand in 1961, steady increase has led to the creation of a global company with exceptional foundations. Hustler builds uniquely engineered, world-class products which are formed from an innovative heritage of ingenuity and combined with a wealth of industry knowledge and experience.

Hustler Equipment was founded in Hawke's Bay

Revolutionary Katipo sprayer range introduced

Reap the benefits without the hassle.

There are many time, storage and cost saving benefits of producing large round in the paddock then converting them to small squares, on demand which are more saleable and have higher value. However traditionally the conversion process was troublesome and often the additional labour consumption and capital outlay offset the benefits of Re-baling.

Hustler's Chainless XR1500 is the most simple and cost effective solution to break down large bales ready for re-baling.

The Chainless XR1500 efficiently teases apart large round in less than 4 minutes, simplifying the task, reducing labour requirement, and the unique teasing action and hydraulic drive system can feed directly into an existing small square baler, utilizing existing capital outlay!

In under 4 minutes 15-20 small square bales can be converted from 1 large bale at a value of \$4-6 each, that equates to \$60-120 worth of small hay bales.

DID YOU KNOW:

The Chainless XR1500 can also be used for breaking down bales prior to loading them into a TMR, providing huge savings in both time and diesel.

KEY BENEFITS:

- Preserve hay quality for longer
- Substantially reduce handling time and cost
- Eliminate hours of back-breaking labour or expensive equipment to collect small bales
- Increase the value of your hay
- Store the large bales and re-bale the small squares on demand or during winter
- One tractor can run both square baler and the balefeeder

INCREASE HAY VALUE BY UP TO

3 TIMES

SEE IT IN ACTION:

CHAINLESS XR1500

The Chainless XR1500 utilises the same feed-out system that has been well proven on thousands of farms all over the world, and is renowned for its simple patented design that is reliable, easy-to-use and handles the widest variety of bales of any feed out system.

Non-corrosive polyethylene platform, guides the bale into the variable feed rotors

Low speed rotors tease the bales apart rather than unrolling them which reduces load on the baler

Fully enclosed drive system keeps hay out of the working parts, reducing maintenance

Hydraulic controls are simple to operate and low maintenance

Convert & Sell

The Re-baling System

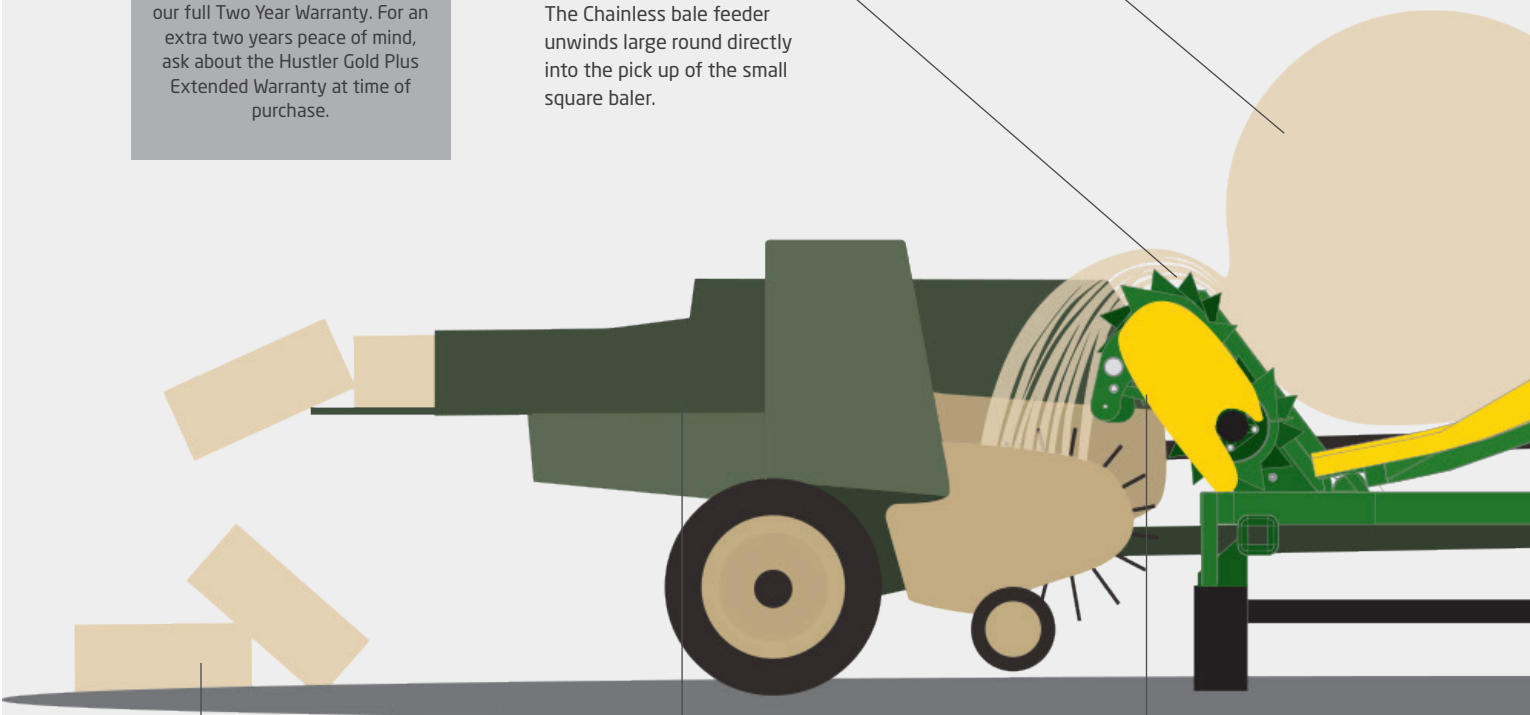

All our balefeeders are backed by our full Two Year Warranty. For an extra two years peace of mind, ask about the Hustler Gold Plus Extended Warranty at time of purchase.

LOAD LARGE BALES

Load the large bales into the feed chamber of the Chainless using a separate front loader or skid steer loader.

CHAINLESS XR1500

The Chainless bale feeder unwinds large round directly into the pick up of the small square baler.

HIGH VALUE SMALL SQUARES

Each large bale produces 15-21 small square bales which can be sold for up to 3 times the value of one large bale.

UTILISE EXISTING BALER

Utilise existing small square baler for stationary baling without the need for any modification.

UNIQUE TEASING ACTION

The top rotor of the Chainless system turns 3 times faster than the lower rotor, which teases the hay apart reducing the load on the baler.

CONTROLLED FROM THE CAB

Operate the Re-baler from the comfort and dust free environment of the tractor cab.

LARGE MOUNTING PADS

The Chainless bale feeder can be fitted with optional caster wheels or bolted a frame to feed directly into the baler or to the bed of a pick up.

UTILISE EXISTING TRACTOR

Use your tractor to power the PTO for the baler, and 2x double acting hydraulic remotes for operating the Chainless bale feeder.

USE A POWER PAC

Replace the tractor with a electric or diesel powered power pack for a more permanent operation.

The Hustler Family

CHAINLESS BALEFEEDERS

The innovative, ultra-reliable Chainless® balefeeders without feed chains, will feed out almost any type of bale you have on hand.

Feeds out

- Any square and round bale
- Any bale type
- Frozen bales
- Teases hay apart maximising feed use
- Infinitely variable feed control

Chainless 2000

- 3pt mounted, self-loading
- 1 bale capacity
- Up to 4 ft wide bales

SL BALEFEEDERS

The SL range of feeders provide an economical option for farmers who primarily feed out round bales.

Feeds out

- Round bales of hay or silage
- Some square bales (with optional side bars)
- Easy to use single lever feed control
- Toughest chain and feedbars on the market

SL350

- 3pt mounted, self-loading
- 1 bale capacity
- Up to 5 ft wide bales

SOFTHANDS BALEHANDLERS

Hustler's full range of bale handlers offer a model to suit every farm size, built tough with a unique design.

Unique features include

- 3 position adjustable hands to suit any bale size (except CXR)
- Patented equaliser
- Slim hands for close stacking
- Wide range of loader mounts

System 10

- Farmers Multi-tool
- Round bales
- 750kg capacity
- Up to 500 bales/year

SPRAYERS

Hustler's range of boom sprayers embody a raft of new features never seen before - all designed to make spraying safer, easier and more accurate.

Unique features include

- MixMax agitation system
- Unique low profile chassis/tank designs
- Unbeatable boom designs and durability
- Superior boom suspension technology
- Custom build option available

Katipo 680

- Manual controls
- 680 litre capacity
- 6 metre manual fold boom

Chainless 2000 Hurricane

- 2-in-1 Feeder/Bedder
- Loader or 3pt mounted
- 1 bale capacity
- Spreads straw bales up to 12 metres

Chainless XR1500

- Stationary rebaling feeder
- 1 bale capacity
- Up to 5 ft wide bales

Chainless 4000

- Trailed, self-loading
- 2 bale capacity
- Up to 4 ft wide bales
- Total Control Loading

Chainless X5000

- Trailed, self-loading
- 2 bale capacity
- Up to 5 ft wide bales
- Total Control Loading

SL450X

- 3pt mounted, self-loading
- 1 bale capacity
- Up to 5 ft wide bales
- Adjustable extension for feeding into troughs

SL700X

- Trailed, self-loading
- 2 bale capacity
- Up to 5 ft wide bales
- Total Control Loading

Like all Hustler products, the SL Balefeeder Range is backed by our full Two Year Warranty. For an extra two years peace of mind, ask about the Hustler Gold Plus Extended Warranty at time of purchase.

CXR Softhands

- Farmers handler
- Round bales
- 1 tonne capacity
- Up to 1000 bales/year

Compact Softhands

- Farmers handler
- Round and Square bales
- 1 tonne capacity
- Up to 1000 bales/year

Mega Softhands

- Contractors handler
- Round and Square bales
- 2 tonne capacity
- 100,000+ bales/year

Katipo 890

- Manual controls
- 890 litre capacity
- 8-12 metre manual fold booms
- 50 metre folding hose reel and spray gun

Katipo 1150

- Electric in-cab controls
- 1150 litre capacity
- 10-12 metre hydraulic folding booms

Fox 1500-1800

- Electric - GPS controls
- 1500-1800 litre capacity
- 14-18 metre hydraulic fold booms

Prestige 2800-5500

- Electric - GPS controls
- 2800-5500 litre capacity
- 18-36 metre hydraulic fold booms

Gold-rush easy own packages

- > Need a Hustler now, and want to pay for it later?
- > No problems, Hustler offer attractive Gold-Rush finance packages, tailored to suit your cashflow at a great rate
- > A trade will often cover the deposit for a new Hustler

OUR MOST POPULAR PLANS ARE:

First 3RD
Deposit paid
on delivery

Second 3RD
paid 12 months
after delivery

Last 3RD
paid 24 months
after delivery

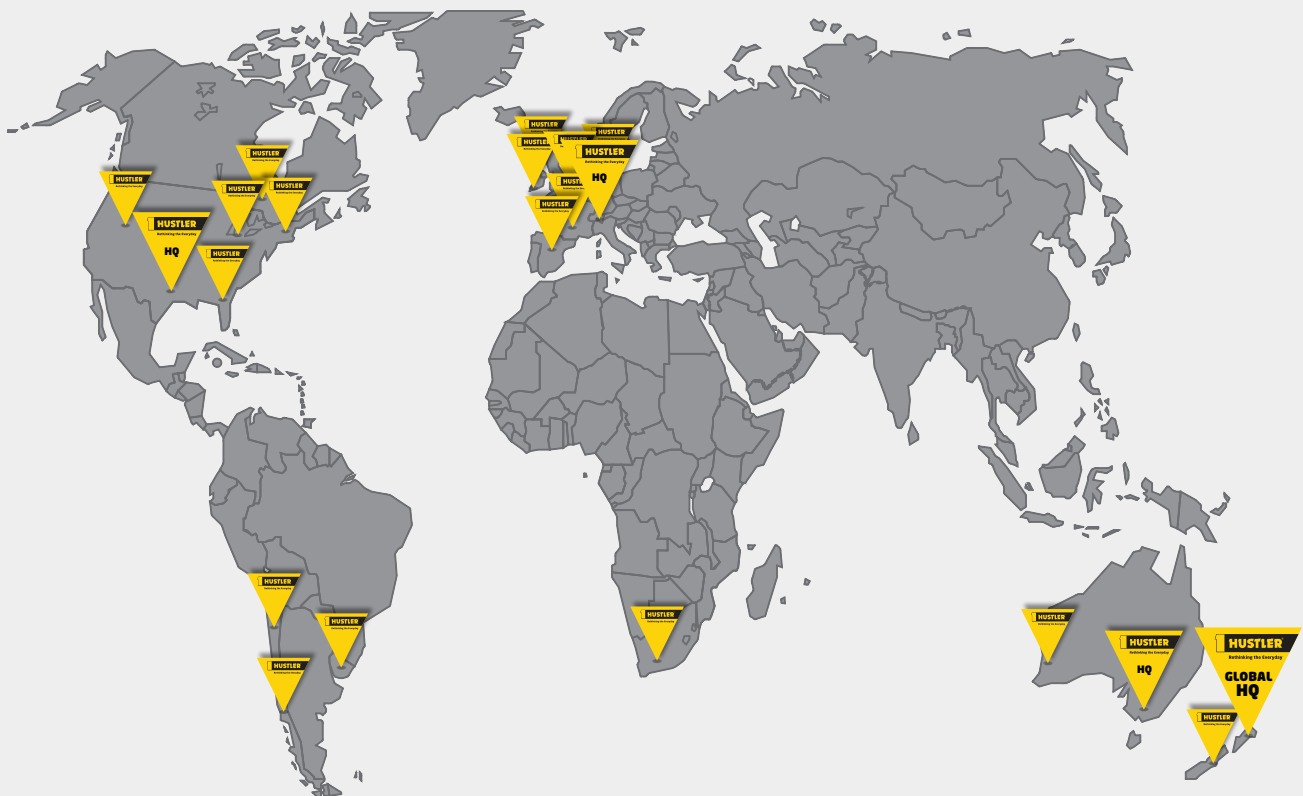

25% deposit
paid on delivery

35 equal monthly
payments after
delivery

NOTE: All finance packages require the deposit, plus the full GST amount paid upon delivery (GST is claimable in month one) and are available only at participating dealers, are subject to normal lending criteria, and vary depending on regional tax laws. Hustler reserves the right to change finance packages without prior notice.

After sales support

Our dedication to you doesn't stop when you leave the dealer. That's because owning a Hustler should be as rewarding as the time it saves you. All Hustler built products are backed with a full 2 year warranty for added peace of mind in the field and include Hustler's legendary service, back up and support that exceeds your expectations. For an extra two years peace of mind, ask about the Hustler Gold Plus Extended Warranty at time of purchase.

Field Consultants

Hustler's trained Field Consultants are ready to help. Providing sound advice, expert product knowledge training and on farm demonstrations.
