

Teagle Hydraulic Top Link

Cat.2 Heavy Duty

Simple – Just a large hydraulic arm with swivel ball ends fitted. Comes complete with hoses and snap couplings – ready for use!

Convenient – Easier hitching up, on-the-move adjustments of implements from the comfort of the cab and without stopping work.

Options

Cat. 1 & 3 swivel tractor ends

Special Low Clearance tractor end fittings. Specify at the time of ordering.

Control the implement angle independent of top link position – ideal for straw choppers, concrete mixers and general applications around the farm.

Large Cylinder Diameter for good control and slow speed. Restrictors fitted to further improve sensitivity
