1/2" 1,27 cm	3.5 tons / hour 3175 kg / hour	4.5 tons / hour 4082 kg / hour

#### WIC Warranty

All WIC products have a one-year warranty (tires and labor not included) against all manufacturing defects. WIC reserves the right to modify manufacturing and specifications of its products without notice or incurring the obligation to effect those changes on products already sold. This warranty is valid under normal use for which the machine was made.

#### WIC Liability

WIC, its dealers and/or agents cannot guarantee individual results from the use of the WIC equipments due to factor beyond our control. Even if the WIC equipments are very safe when operation procedures are followed, accidents which may occasionally result from equipment failure are not liable to WIC. The security use of this equipment does not eliminate all the risks connected to its use.
